

Parental Nomination for the More Able Pupils

At Turnfurlong Junior School we aim to fulfil the potential of all children. We recognise the benefits of working in close partnership with parents who are the child's first and most enduring educators. Where parents and practitioners work together, the results have a positive impact on the child's development and learning.

When children come into school they have varied interests and skills and we need to plan learning experiences of the highest quality to make sure your child learns with enjoyment and challenge.

We are keen to develop our recognition of, and provision for the more able children in academic, leadership, organisational, physical, social, artistic and musical skills.

If you feel that your child has demonstrated signs of advanced skills in any of these areas please fill in the form below and return it to your child's teacher. Thank you.

Pupil's Name Age

Class Date
